

## **Advent Course**

**Bishop Stephen is calling for all churches to journey with him to become more Christlike. To this end the Diocese are providing various courses and events to help up all on this journey. The staff team and I thought that we would like to offer one of these resources here in the Benefice, in the form of an Advent Course based in the style of the Pilgrim materials looking at the Beatitudes.**

**We will therefore be offering this course on a Wednesday morning in December after the mid week Eucharist at Harpsden Church, we will meet in the St Peters Vestry at about 10am for one hour with tea/coffee and cake.**

**You are all also welcome to come along to the mid week service prior to the course at 9.30am.**

**Yours in Christ  
Robert, Pam, Michael and Michael**
