Refreshments are normally available after the services and we'd be delighted if you'd join us.

Sung Eucharist & Sunday School

This is a service of Holy Communion using the modern service called 'Common Worship'. Children attend the Sunday School. The service is led by the clergy and supported by the choir. During communion the choir may sing an anthem. The service itself moves from opening praise through confession and then a focus on the Bible. There are two bible readings and there is a sermon just before the mid-point of the service.

After that prayers are led and then we prepare ourselves to receive bread and wine around the Lord's Table. As we prepare to receive communion the children re-join their parents in the church. The service draws to a close as we reflect with the children on what they have learnt, linking it into the theme of the service.

Refreshments are available after the service for those who wish to share a coffee and have a chat with friends.
