

## **BENEFICE RIDE and STRIDE**

**Saturday 14th September**

**Oxfordshire Historic Churches Trust is proud to be part of the national Ride+Stride Day.**

**This is our major, annual fund-raising activity and Oxfordshire is consistently ranked in the top 5 counties for the amount raised. The funds raised are split between the work of our Trust and local churches and chapels nominated by participating 'StRiders'. In 2018 we made Grants totalling £193, 439 to support restoration and re-ordering projects.**

**Ride+Stride is a vital fund-raising opportunity enabling OHCT to continue this work!**

**Volunteers between 9 and 99 years are invited to come together and fundraise for our wonderful Churches by walking or cycling gently around them.**

**Visit Churches in Shiplake, Dunsden, Sonning Common, Stoke Row, Nettlebed and Nuffield, Henley and any others you can think of!**

**Any Queries, please contact Julian Burtt: 01491 575126.**

**Who knows, we might raise a record!!**
